# Volunteer at GTDT

## Got a few spare hours?

We are always on the lookout for new volunteers to help us with our activities, especially the young people's activities, community gardening, job club and reception work.

## What type of people volunteer?

All sorts of people! Some are retired and want to keep themselves busy, passing on their experience. Some are unemployed and see volunteering as a valuable stepping stone to employment. Some are students looking for experience.

Whatever your reason, you will enjoy helping us with our projects and helping us to do good work in the local community.

We pay expenses to all volunteers to make sure that you are never out of pocket because of your volunteering.

If you want to help with activities involving children or vulnerable adults we'll need an Enhanced Disclosure report - but we'll help you apply for this and we'll also pay the fee which is charged.

## What next?

If you would like to apply to be a volunteer, simply fill in your details overleaf and hand the form to one of our staff or drop it off at our centre on Lodge Lane.
